

LOLOL - School Learning

Year 6 Autumn 2 'World War 2'

Dear Parents,
We are looking forward to this half term and the run in to Christmas. We will be continuing our World War 2 topic. We feel that the children have made an impressive start to the year and are encouraged by this start. We continue to need the children to read every day, to an adult, as this is very important. Keep up the hard work year 6.

The Year 1 Team - Mr Jackson (6J - St Anthony) & Mr Abel (6A - St Philip)

Maths

- fractions (simplify, compare and order, sequence, adding and subtracting, divide by fractions, relation to decimal and percentage)
- position & direction

Science

- the human body:
 - variations in humans
 - circulatory system
 - organ dissection

DT/Art/Music

- Henry Moore
- silhouette
- singing
- preparation for Christmas

English

- word classes (subject & object)
- subjunctive form
- diary writing
- report writing
- non-chronological reports

Come and See

- Commitment & Vocation
- Judaism
- Expectations

PSHE

- goal setting
- safe relationships

History & Geography

- Dunkirk
- Anne Frank
- RAF
- Maps of Europe during the war
- Death Camps
- Battle of Britain
- Roles of Women during the war
- Conclusion of the war

PE

- invasion games

Computing

- online safety
- Scratch

OLOL - Learning information

Welcome back for the second half of the Autumn term.

Last term, we launched our writing and maths targets. These are specific to your child and focused on what they need to do to continue making progress.

Ask your child to share their target with you. Do they know what they are focusing on? Have they made progress towards their targets?

Year 6
Autumn 2
'World
War 2'

My maths targets

I know all of my number bonds to 20

Each time you meet your target, you will get a sticker.

1 2 3 4 5

My English Targets

I can hold, say, write and read a sentence and write them with joined up handwriting.

Each time you meet your targets, you will receive a sticker.

I can use full stops, commas and capital letters for proper nouns.

KIRFs (Key Instant Recall Facts)

At OLOL, we have focused in on ensuring that children are learning their number facts (number bonds and times tables). To help with this, times table rockstars and Numbots are brilliant resources. Please let us know if you do not have access for your child.

The Conker Maths site has great KIRF games which can help your child with developing their speed with number facts. Find it at:

<http://www.conkermaths.org/cmweb.nsf/products/conkerkirfs.html>

Diary Dates

November

2nd Children back to school
25th Flu Immunisations

December

10th KS1 Nativity (Pre-recorded)
16th Christmas Dinner Day
18th Christmas Story Assembly
18th Last day of term

January 2021

4th Children back to school

Learning you could try at home:

- use a recipe to make something. Can you write instructions to show what you did?
- create a healthy plate- can you identify the different parts?
- find out facts about farm animals
- linking with our work on algorithms in computing, can you write a set of instructions for something that you do everyday?
- practise your number bonds and counting in 2s, 5s and 10s!
- play board games - this will help mental addition
