Year 5

Autumn 2

'The Story of English'

Geography and History (whole term)

- cause & factors of invaders to the local language
- brief history from Celts to present day
- Chaucer & Shakespeare

PE

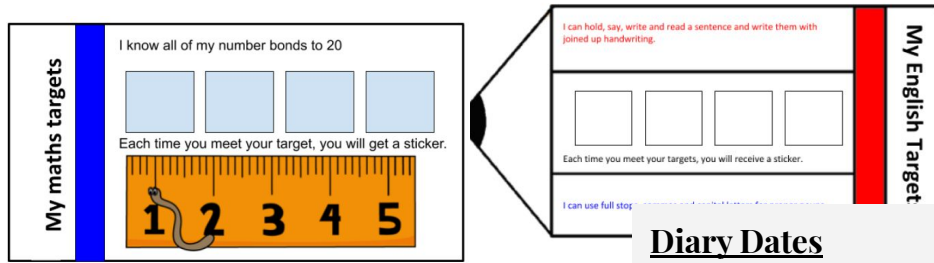

- netball/football

Science

- reversible and irreversible change

OLOL - Learning information

Welcome back for the second half of the Autumn term. Last term, we launched our writing and maths targets. These are specific to your child and focused on what they need to do to continue making progress. Ask your child to share their target with you.

KIRFs (Key Instant Recall Facts)

At OLOL, we have focused in on ensuring that children are learning their number facts (number bonds and times tables).

To help with this, times table rockstars and Numbots are brilliant resources. Please let us know if you do not have access for your child. The Conker Maths site has great KIRF games which can help your child with developing their speed with number facts. Find it at:

<http://www.conkermaths.org/cmweb.nsf/products/conkerkirfs.html>

Diary Dates

November

2nd Children back to school

25th Flu Immunisations

December

10th KS1 Nativity (Pre-recorded)

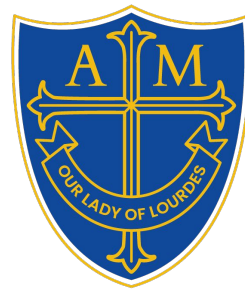

16th Christmas Dinner Day

18th Last day of term

January 2021

4th Children back to school

Year 5 Autumn 2 'The story of English'

Learning you could try at home:

- Practice number bonds within and to 10, 20 and 50.
- Play board games - this will help mental addition
- Have a look at Google Earth. How many of the Counties share a border with Essex? Can you work out the origins of some of the place names?
- Go for a walk and take a photo of a tree/bush. Do the same at least once a week, then at the end of term compare the photos to see how it has changed.
- Practise your mental maths with Numbots!
